Re: Peterson/Puritan Superfund Site
Operable Unit 2

Dear Sir/Madame:

Our firm represents Avnet, Inc., which received a notice letter regarding this site. Please direct future communications to me at the following address:

Mr. Stephen W. Earp
Smith Moore LLP
300 North Greene Street, Suite 1400
Greensboro, NC 27401
E-mail: steve.earp@smithmoorelaw.com
Telephone: 336-378-5314
Fax: 336-433-7430

Avnet is willing to join with a group of other potentially responsible parties in good faith discussions with EPA regarding the group's performance of the response activities described in your letter. You indicated that at an appropriate time in the future, you would conduct a meeting of potentially responsible parties. Please let me know when you have scheduled that meeting.

I will submit Avnet's responses to EPA's requests for information shortly. Meanwhile, if you have any questions or comments, please give me a call.
